ABOUT LAW

LAW was chartered in 1941. Since then, it has evolved into the only statewide association for wholesalers. Not only does this organization provide networking opportunities for wholesalers and distributors, but it also provides legislative representation on issues important to the industry. We are working to take the organization to the next level of involvement and increase the benefits of being an associate member.

LAW hosts an annual fall convention. This event provides excellent networking opportunities between wholesalers, distributors and retailers.

We look forward to working with you. Please contact Marissa Coulon with any questions at (225) 767-7640 or marissa@amplouisiana.com.
